

SECURITY / VACATION CHECKS

Are you going out of town???

Before you go, fill out the Property Inspection Form below and drop off at public safety or email to publicsafety@escanaba.org. There are forms in the department lobby also.

We can put your house into the system and we can keep an eye on your property while you are gone. All we need is:

Your Name, address and phone number

Dates you are going to be away

Descriptions of any vehicles that will be left in the driveway or garage

Whether or not you are going to leave any lights on or if they will be on timers

A name, address, and telephone number of someone who will have a key to your house

A phone number where you can be reached while you are away

While you are away, Public Safety Officers will keep an extra watch around your house. All we ask is that you call us when you get back to town and let us know everything is ok.
