

LEAF COLLECTION

During the Fall collection period, Public Works will make every attempt to collect leaves from your address on your garbage collection day. It is not possible to accurately inform residents of the exact day leaf collection will occur. Once collection starts, please contact the Department of Public Works for an update on collection.

ONLY leaves will be collected; sticks and other yard debris will not. Leaves should be raked to the street at the curb line.

Citizens who choose to bag leaves are encouraged to transport them to the Delta County Landfill Compost Facility drop site located at 5701 19th Avenue North. Leaves must be emptied from bags and bags placed in garbage barrels. If you have any questions, please contact the Public Works Department at (906) 786-1842.

NOTE: Leaves are not picked up by Public Works in the Spring.
