Also, the city was advised by the Michigan Attorney General and the Michigan Municipal League to keep the ballots for another six months.

City Council Minutes
October 18, 2018 – cont.

Bonnie Heikkla, Escanaba resident, filed a Freedom of Information Act (FOIA) requesting emails and other documents related to the proposal. The Department of Escanaba Public Safety is requesting the USDA grant funds of $17,800.00 for an emergency response vehicle. The emergency response vehicle will be used for multiple types of emergency responses as we are a Public Safety department doing both police and fire protection. The vehicle will be used on varying types of emergency/critical incident situations such as motor vehicle rescue, hazmat, fire and police.

The vehicle will be used as an incident command center on police, fire, hazmat and motor vehicle rescue critical incidents. The response could be for “manmade” type incidents or an “act of God” type incident.

The vehicle will enable emergency response when there are severe weather conditions such as deep heavy snow and icy roads. The vehicle will also be used on emergency incidents in the rural areas we respond to that will require 4 wheel drive capabilities. Incidents we respond to in our rural areas are sometimes roads that are not maintained by the state or county. We have camps and residences that could require a 4 wheel drive type vehicle to get to them due to the road and/or weather conditions.

The emergency response vehicle will be acting as the supervisor vehicle. The emergency vehicle will or could be used to transport “tools” for police, hazmat, motor vehicle rescue and fire critical incidents that are not transported in our everyday patrol vehicles due to the limited amount of room or because we only have one of the “tools” and it will be available from the supervisor vehicle.

Thank you,

Patrick Jordan

DATE SUBMITTED

Standard Form 424B (Rev. 7-97) Back
This agreement, dated ___________________________, between The City of Escanaba and United States Department of Agriculture (USDA), pursuant to the rules and regulations of the Secretary of Labor (herein called the "Secretary") issued under the authority of Executive Order 11246 as amended, witnesseth:

In consideration of financial assistance (whether by a loan, grant, loan guarantee, or other form of financial assistance) made or to be made by the USDA to Recipient, Recipient hereby agrees, if the cost of construction work performed by Recipient or a construction contract financed with such financial assistance exceeds $10,000 - unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965.

1. To incorporate or cause to be incorporated into any contract for construction work, or modification thereof, subject to the relevant rules, regulations, and orders of the Secretary or of any prior authority that remain in effect, which is paid for in whole or in part with the aid of such financial assistance, the following "Equal Opportunity Clause":

   During the performance of this contract, the contractor agrees as follows:

   (a) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the USDA, setting forth the provisions of this nondiscrimination clause.

   (b) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

   (c) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the USDA, advising the said labor union or workers’ representative of the contractor’s commitments under this agreement and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

   (d) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of all rules, regulations and relevant orders of the Secretary of Labor.

   (e) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, rules, regulations, and orders, or pursuant thereto, and will permit access to his books, records, and accounts by the USDA Civil Rights Office, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

   (f) In the event of the contractor’s noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by Law.

   (g) The contractor will include the provisions of paragraph 1 and paragraph (a) through (g) in every subcontract or purchase order, unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the USDA may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the USDA, the contractor may request the United States to enter into such litigation to protect the interest of the United States.
2. To be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the organization so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

3. To notify all prospective contractors to file the required 'Compliance Statement', Form RD 400-6, with their bids.

4. Form AD-425, Instructions to Contractors, will accompany the notice of award of the contract. Bid conditions for all nonexempt federal and federally assisted construction contracts require inclusion of the appropriate "Hometown" or "Imposed" plan affirmative action and equal employment opportunity requirements. All bidders must comply with the bid conditions contained in the invitation to be considered responsible bidders and hence eligible for the award.

5. To assist and cooperate actively with USDA and the Secretary in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and rules, regulations, and relevant orders of the Secretary, that will furnish USDA and the Secretary such information such as, but not limited to, Form AD-360, Certification of Nonsegregated Facilities, to submit the Monthly Employment Utilization Report, Form CC-257, as they may require for the supervision of such compliance, and that it will otherwise assist USDA in the discharge of USDA's primary responsibility for securing compliance.

6. To refrain from entering into any contract or contract modification subject to such Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and Federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by USDA or the Secretary of Labor pursuant to Part II, Subpart D, of the Executive Order.

7. That if the recipient fails or refuses to comply with these undertakings, the USDA may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the organization under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such organization; and refer the case to the Department of Justice for appropriate legal proceedings.

Delta Plaza Mall
OPRE Application

In 2014, the City of Escanaba established an Obsolete Property Redevelopment District for the block including the Delta Plaza Mall. The Owner is now submitting this Application to gain the exemption for the Mall.

The following information is required as an attachment to the Obsolete Property Rehabilitation Exemption Application

A. General Description

The Mall was developed by Gamble Development Company and opened November 8, 1970. The Mall, a typical block and steel single story building, totals 127,787 square feet stores with limited outside entrance. At the present time 11 stores representing 51,727 square feet are occupied, leaving 76,000 square feet vacant.

B. Proposed Use after Rehabilitation

The Mall will continue to be used for retail sales. Marshalls has committed to developing a store within the Mall. The presence of this large national retailer should result in other tenants desiring to lease space, leading to further redevelopment.

C. Proposed Rehabilitation

The proposed rehabilitation includes the removing and construction of walls, reconstruction of store fronts, replacement of outdated features and moving utilities to create areas which will upgrade the current Mall to meet new tenant requirements.

A Mall where there is limited access from the outside is becoming a thing of the past. Consumers expect to be able to enter stores directly, and to generally have smaller stores.
E. Fixed Building Equipment

Upgrades to the Mall heating and cooling systems and utility modifications, beyond standard maintenance, will be reviewed as tenants are identified.

F. Schedule

The rehabilitation work is scheduled to begin in early 2019 and to be completed in three years.

G. Economic Advantages

The economic advantages which will result from the proposed rehabilitation are the revitalization of a large, mostly vacant, retail establishment within the City of Escanaba. Portions of the Mall have been vacant for periods of two to ten years. Through the rehabilitation efforts, the Mall can be the beginning of a trend to rehabilitate and regrow businesses in this area.

Further, other structures in this area are standing vacant. A revitalized mall can bring new life to the area, with new leases for these structures.

Statement of Obsolescence for 301 N Lincoln Road, Escanaba Michigan owned by DIAL Escanaba Mall LP.

The building that is the subject of this request is an enclosed Commercial Shopping Center that was built in 1970 and consists of 240,428 square feet. The mall consists of an anchor store of JC Penney with 29 retail spaces and a food court. The food court currently has room for 3 food counters. On the day of inspection all 3 were vacant.

Retail spaces are leased and lease holders are responsible for leasehold improvements. The mall is currently approximately 1/3 vacant.

The original roof is a steel deck with a rubber membrane is at the end of its physical life as there is evidence of this throughout the mall with rusted skylights and water damaged drywall.

The plumbing is inadequate and does not meet ADA requirements. There are 4 public restrooms, each one includes 3 stalls each and 2 sinks. HVAC is original to the building and is over 40 years old and is inadequate. The electrical fixtures are outdated and need to be upgrade for energy efficiency.

The interior of the building currently has a poor layout. The public walkways of the mall are carpeted. The carpet has truly outlived its physical life.

The parking lot is in poor condition and the signage for the shopping center is almost absent.

Obsolescence is apparent in the lack of modern and efficient electrical, plumbing and mechanical systems. In the opinion of this Equalization Director, this property suffers in excess of 50% of physical and functional obsolescence.

GROUND LEASE AGREEMENT

THIS GROUND LEASE AGREEMENT (the "Lease") is made this ______ day of ______, 20__ (the "Commencement Date"), by and between the CITY OF ESCANABA, a Michigan Corporation ("Lessor"), and PI TOWER DEVELOPMENT LLC, a Delaware limited liability company ("Lessee").

1. **Leased Premises.** Lessor hereby leases to Lessee and Lessee hereby leases from Lessor under the terms and conditions set forth in this Lease a portion of that certain parcel of real property, located at Ness Field-1619 18th Avenue South, Escanaba, MI 49829 ("Site"), as more particularly described on Exhibit "A" and the survey or site plan shown on Exhibit "A-1" attached hereto and made a part hereof ("Leased Premises"), together with an easement, or easements, for ingress, egress, utilities, fiber, and any other easements required by the local governing authorities, including, without limitation, a landscape buffer or "Fall Zone" (if applicable), for the duration of the lease on the property which is more particularly described on Exhibit "B" attached hereto and made a part hereof ("Easement(s)"). The easement rights herein granted include the right and authority of Lessee to grant or assign to third parties all or some of the easement rights granted to Lessee herein without additional consideration paid to Lessor. Lessor agrees and acknowledges that Lessee may, at Lessee's sole cost and expense, have a metes and bounds survey prepared of the Leased Premises and the Easement(s), and that the legal description of the Leased Premises and the Easement(s), as shown on the survey, shall thereafter become the legal description of the Leased Premises and the Easement(s). Lessor represents and warrants that Lessor has good and marketable title to the Leased Premises and the Easement(s) free and clear of all liens and encumbrances, other than those liens and encumbrances shown on Exhibit "C" attached hereto and made a part hereof. Lessor further represents and warrants that there are no easements, licenses, rights of use or other encumbrances on the Leased Premises or the Easement(s) which will interfere with or constructively prohibit Lessee's Intended Use (as herein defined) of the Leased Premises.

2. **Lessor's Representations and Warranties.** Lessor represents and warrants that Lessee's intended use of the Leased Premises as a site for the transmission and receipt of wireless communication signals and for the construction and maintenance of towers, antennas or buildings and related facilities ("Intended Use") is not prohibited by any covenants, restrictions, reciprocal easements, servitudes, subdivision rules or regulations. Lessor further represents and warrants that (i) the execution of this Lease by Lessor will not cause a breach or an event of default of any other agreement to which Lessor is a party, (ii) there are no pending or threatened administrative actions, including bankruptcy or insolvency proceedings under the state or federal law, suits, claims or causes of action against Lessor or which may otherwise affect the Leased Premises and the Easement(s), (iii) the Leased Premises and the Easement(s) are not presently subject to an option, lease or other contract which may adversely affect Lessor's ability to fulfill its obligations under this Lease, and (iv) Lessor shall not grant an option or enter any contract which will affect the Leased Premises or the Easement(s) until this Lease expires or is terminated by Lessee.

3. **Lessee's Due Diligence Period.**

(a) Within twenty (20) business days following the Commencement Date, Lessee shall pay to Lessor the amount of Nine Hundred and 00/100 Dollars ($900.00) (the "Due Diligence Fee"), which Due Diligence Fee shall be nonrefundable to Lessee, except in the event that this Lease is terminated by Lessee prior to the Rent Commencement Date (as herein defined) due to a default by Lessor. Provided that construction of the Tower Facilities (as hereinafter defined) has not commenced, it is understood that Lessee shall have the right to terminate this Lease for any reason or no reason at all,
without any further liability or obligation to Lessor except those obligations which specifically survive the expiration or termination of this Lease, by delivery of written notice of termination to Lessor prior to the Rent Commencement Date. Lessee shall be entitled to a credit toward Rent (as hereinafter defined) due under this Lease equal to the Due Diligence Fee paid to Lessor.

(b) Lessee shall have the right, at its cost and expense, to have the Leased Premises and the Easement(s) surveyed and to obtain a title report or commitment for a leasehold title policy covering the Leased Premises and the Easement(s) from the title insurance company of its choice prior to the Rent Commencement Date. Lessor shall remove any survey or title defects, which will adversely affect Lessee’s leasehold title or its ability to mortgage its leasehold interest. In the event Lessor shall fail to cure any such defects, Lessee shall have the right to terminate this Lease upon written notice to Lessor.

(c) In the event of a termination of the Lease pursuant to subparagraph 3(a) or 3(b) above or Paragraph 8 below, within thirty (30) days of such termination Lessee will file a release or other appropriate instrument with the local recording office to remove the Memorandum of Lease from the title record. If said removal is not performed by Lessee within such thirty (30) day period, Lessee appoints Lessor, as Lessee’s agent and at Lessee’s cost and expense, to file the necessary release or other instrument to cause the Memorandum of Lease to be released from title.

4. Attorney-In-Fact and Cooperation. Lessor hereby irrevocably appoints Lessee or Lessee’s agent as Lessor’s agent to file such applications on behalf of Lessor with federal, state and local governmental authorities which relate to Lessor’s Intended Use of the Leased Premises, including, but not limited to, land use and zoning applications. Lessor agrees to cooperate with Lessee in obtaining, at Lessee’s expense, all licenses and permits required for Lessee’s use of the Leased Premises (the “Governmental Approval”).

5. Use. The Leased Premises may be used by Lessee for the transmission and receipt of wireless communication signals in any and all frequencies and the construction and maintenance of a communications tower, antennas, buildings, and related facilities and activities, and all other uses permitted under applicable zoning regulations. Lessee may construct additional improvements, demolish and reconstruct improvements, or restore, replace and reconfigure improvements at any time during the Term (as herein defined) of this Lease.

6. Initial Term. The initial term of this Lease shall be five (5) years commencing on the Commencement Date and terminating on the fifth (5th) anniversary of the Commencement Date (“Initial Term”). The parties agree that a memorandum of lease in the form attached hereto as Exhibit “D”, evidencing the Commencement Date and other matters, shall be executed and recorded.

7. Renewal Terms. Lessee shall have the right to extend the Initial Term of this Lease for five (5) additional five (5) year terms (“Renewal Terms”). Each Renewal Term shall be on the same terms and conditions as set forth in this Lease. This Lease shall automatically be renewed for each successive Renewal Term unless Lessor notifies Lessor of Lessor’s intention not to renew the Lease at least thirty (30) days prior to the expiration of the Initial Term or the Renewal Term which is then in effect. The Initial Term and each Renewal Term shall collectively be referred to herein as the “Term”.

8. Rent. Commencing on the Rent Commencement Date, during the Term of this Lease, Lessee shall pay to Lessor an annual rental amount of Ten Thousand Eight Hundred and 00/100 Dollars ($10,800.00), to be paid in equal monthly installments of Nine Hundred and 00/100 Dollars ($900.00) (“Rent”), which shall be deemed to include any applicable State, County or local sales or use tax. Rent shall be payable on or before the fifteenth (15th) day of each calendar month, and shall be remitted to the address shown for Lessor in this Lease, or such other address as Lessor may direct by written notice to Lessee. Lessor acknowledges the first such payment of Rent will be made within thirty (30) days of the Rent Commencement Date. Lessee shall have no obligation to make any Rent payments until such time as Lessee receives a completed Internal Revenue Service W-9 form from Lessor, setting forth the Federal tax identification number of Lessor or the person or entity to whom the Rent checks are to be made payable.
as directed in writing by Lessor (the "Tax Credentials"). From time to time during the Term and within four weeks of a written request from Lessee, Lessor agrees to provide updated Tax Credentials in a form reasonably acceptable to Lessee. The Tax Credentials shall be provided to Lessee in accordance with the provisions of, and at the address given in, Section 21 below. Within fifteen (15) days of obtaining an interest in the Property or this Lease, any assignee(s) or transferee(s) of Lessor shall provide to Lessee Tax Credentials in the manner set forth in this paragraph. The Parties acknowledge and agree that the foregoing are reasonable requirements in order to allow Lessee to comply with its legal requirements. It shall be the sole responsibility of the Lessor to remit payment of any applicable State, County or local sales, rent or use tax to the appropriate taxing authority. If the Rent Commencement Date or the date of termination (the "Termination Date") of this Lease is other than the first (1st) day of a calendar month, Rent shall be prorated. In the event of termination of this Lease for any reason, other than nonpayment of Rent, all Rent paid in advance of the Termination Date for that period shall be refunded to Lessee. The "Rent Commencement Date" shall mean the date the Lessee commences construction of the Tower Facilities; provided, however, in the event that Lessee has not commenced construction of the Tower Facilities within three (3) years following the Commencement Date, this Lease shall automatically terminate and the parties shall be released from further liability or obligation hereunder except those obligations which specifically survive the expiration or termination of this Lease. The Rent shall increase by ten percent (10%) upon the fifth (5th) anniversary of the Rent Commencement Date and every fifth (5th) year thereafter.

So long as at all times during the Initial Term and any applicable Renewal Terms there is one Wireless Carrier (as hereinafter defined) with a sublease or license from Lessee for co-location space on the Tower Facilities (the "Anchor Tenant"), then for each additional Wireless Carrier that co-locates on the Tower Facilities, other than the Anchor Tenant, the Lessee shall pay to the Lessor the Wireless Revenue Share Fee (as hereinafter defined), in monthly installments, which shall be deemed to include any applicable State, County or local sales or use tax, beginning on the date Lessee receives the additional Wireless Carrier’s (other than the Anchor Tenant) rent or license fee, and, for each month thereafter for so long as the additional Wireless Carrier (other than the Anchor Tenant) pays its respective rent or license fees to Lessee. The first payment of the Wireless Revenue Share Fee shall be paid within forty-five (45) days of Lessee’s receipt of the first payment of rent or license fee by the additional Wireless Carrier (other than the Anchor Tenant). As used herein, the "Wireless Revenue Share Fee" shall mean an amount equal to the product of the total amount of recurring rent or license fee (excluding any reimbursement from the Wireless Carrier of taxes, utilities or other costs incurred by Lessee) paid to Lessee by the Wireless Carrier (other than Anchor Tenant) using the Tower Facilities, multiplied by fifteen percent (15%). If the date of Lessee’s obligation to begin to pay the Wireless Revenue Share Fee is other than the first (1st) day of a calendar month, the Wireless Revenue Share Fee shall be pro-rated.

For the purpose of Section 8, "Wireless Carrier" shall be defined as any cellular or PCS carrier such as T-Mobile, AT&T, Cingular, Verizon, Sprint Nextel, or MetroPCS, or any 2-way/paging companies, wireless internet companies or government agencies.

9. **Conditions Subsequent.** In the event that Lessee’s Intended Use of the Leased Premises is actually or constructively prohibited through no fault of Lessee or the Leased Premises or the Easement(s) are, in Lessee’s opinion, unacceptable to Lessee, then upon notice from Lessee, this Lease shall terminate and be of no further force or effect and Lessee shall be entitled to a refund from Lessor of any deposits or Rent paid in advance to Lessor.

10. **Interference.** Lessor shall not use, nor shall Lessor permit its lessees, licensees, invitees or agents to use, any portion of adjacent real property owned by Lessor in any way which interferes with the wireless communications operation of Lessee. Such interference shall be deemed a material breach of this Lease by Lessor and Lessor shall have the responsibility to terminate said interference at its sole cost and expense. In the event any such interference does not cease or is not promptly rectified, Lessor acknowledges that continuing interference will cause irreparable injury to Lessee, and Lessee shall have the right, in addition to any other rights that it may have at law or in equity, to bring action to enjoin such interference or to terminate this Lease immediately upon notice to Lessor.

11. **Improvements; Utilities, Access and Other Easements.**
(a) Lessee shall have the right at Lessee’s sole cost and expense, to erect and maintain on the Leased Premises improvements, personal property and facilities, including without limitation, a communications tower, a structural tower base, radio transmitting and receiving antennas, communications equipment, equipment cabinet and/or shelters, and related facilities (collectively the “Tower Facilities”). The Tower Facilities shall remain the exclusive property of the Lessee throughout the Term and upon termination of this Lease. All or any portion of the Tower Facilities may be removed by the Lessee from the Leased Premises at any time during the Term. Lessee shall, upon expiration of the Term, or within ninety (90) days after any earlier termination of the Lease, remove its building(s), antenna structure(s) (including footings to a depth of no less than 3’ below the surface), equipment, conduits, fixtures and all personal property placed thereon by or through Lessee and restore the Leased Premises to their original condition, reasonable wear and tear and casualty damage excepted. Lessor grants Lessee the right to clear all trees, undergrowth, or other obstructions and to trim, cut, and keep trimmed and cut all tree limbs which may interfere with or fall upon Lessee’s tower or Lessee’s other improvements, communications equipment, or Easement rights. Lessor grants Lessee a non-exclusive easement in, over, across and through other real property owned by Lessor as reasonably required for construction, installation, maintenance, and operation of the Tower Facilities. The Lessor agrees that any property of the Lessee that remains on the Leased Premises after ninety (90) days following the expiration or earlier termination of this Lease shall be deemed abandoned by the Lessee and shall be thereafter owned by the Lessor without further consent of the Lessee.

(b) Lessee shall have the right to install utilities, and/or fiber, at Lessee’s expense, and to improve present utilities on the Leased Premises (including but not limited to the installation of emergency power generators). Lessee shall have the right to permanently place utilities or fiber on (or to bring utilities or fiber across or under) the Easement(s) to service the Leased Premises and the Tower Facilities. In the event that utilities or fiber are necessary to serve the equipment of Lessee or the equipment of Lessee’s licensee(s) or sublessee(s) cannot be located within the Easement(s) for ingress and egress, Lessor agrees to cooperate with Lessee and to act reasonably in allowing the location of utilities or fiber on other real property owned by Lessor without requiring additional compensation from Lessee or Lessee’s licensee(s) or sublessee(s). Lessor shall, upon Lessee’s request, execute a separate written easement to the utility or fiber company providing the service for Lessee in a form which may be filed of record evidencing this right.

(c) Lessor represents and warrants to Lessee that Lessor shall, at all times during this Lease, enjoy ingress, egress, and access from the Leased Premises to an open and improved public road which presently exists, and which Easement(s) shall be adequate to service the Leased Premises and the Tower Facilities. If no such public road exists, or ceases to exist in the future, Lessor will grant an appropriate easement to Lessee and its sublessees and assign so that Lessee may, at its own expense, construct a suitable private access drive to the Leased Premises and the Tower Facilities. Lessor acknowledges and agrees that any new private access drive constructed by Lessee will be used exclusively by Lessee and its sublessees, sublicensees and assigns. Any use thereof by Lessor, its tenants, licensees, or lessees or other occupants on the Site shall be subject to Lessee’s prior written consent to use such private access drive. Any attempted use thereof by Lessor, its tenants, licensees or lessees or other occupants of the Site without Lessee’s prior written consent shall be considered a material breach of this Lease. To the extent such access is across other property owned by Lessor, Lessor shall execute an easement evidencing this right and Lessor shall maintain access to the Easement(s) in a free and open condition so that no interference is caused by Lessor or by other lessees, licensees, invitees or agents of the Lessor which may utilize the Easement(s). Lessor shall provide such access to the Leased Premises across Lessor’s adjacent property, and over all paved or unpaved roads owned or controlled by Lessor, to allow Lessee, or its sublessees, to use, maintain and repair the improvements located on the Leased Premises. Such access shall be provided twenty-four (24) hours per day, seven (7) days per week.

(d) If governmental authorities require a landscape buffer easement or any other type of easement to grant approval for the construction of the Tower Facilities ("Additional Easement(s)"), and if such Additional Easements cannot be located within the Leased Premises or the Easement(s) for ingress and egress, Lessor agrees to cooperate with Lessee and to act reasonably in allowing the location of such
Additional Easement(s) on other real property owned by Lessor without requiring additional compensation from Lessee or Lessee's licensee(s) or sublessee(s). Lessor shall, upon Lessee's request, execute a separate written easement for such Additional Easement(s) in a form which may be filed of record evidencing this right.

12. Replacement and Installation of Tower. Lessee agrees that it shall remove and dispose of the existing light pole owned by Lessor as described in Exhibit A-1 attached hereto ("Existing Pole") located at the Property. Prior to the removal of the Existing Pole, Lessor shall remove Lessor's existing athletic lights ("Lights") from the Existing Pole and place them on the tower, at the location described on Exhibit A attached hereto, to be constructed by Lessee at the Property ("Tower"). Lessee agrees that the removal and disposal of the Existing Pole and removal and reinstallation of the Lights on the Tower shall be at the sole cost and expense of Lessee. Lessee agrees that the placement of the Lights on the Tower shall be as additional consideration for Lessee's use of the Property and Lessor shall not be required to pay rent to Lessee for the use of such space on the Tower. Lessor shall be solely responsible for the maintenance, repair and replacement of the Lights and the cost of the electrical power for the Lights. Lessor agrees to maintain the Lights in good condition and repair and in compliance with all applicable laws, rules and regulations. Lessor agrees that all construction, maintenance, removal or alteration of Lessor's Lights shall be coordinated with and approved by Lessee and any modifications thereto may require a structural analysis, the cost of which shall be paid by Lessor.

13. Conveyance of Tower to Lessor. After the Tower is installed, upon expiration or the earlier termination of this Lease, Lessor may elect to take ownership of the Tower by providing written notice to Lessee within thirty (30) days of the expiration or termination of the Lease. After receipt of notice by Lessee of Lessor's election to take ownership of the Tower and within ninety (90) days of said notice, Lessee shall transfer title to the Tower to Lessor. Lessor agrees that it shall accept the Tower in "AS IS" condition. Lessee shall deliver an executed bill of sale to the Lessor transferring title to the Tower to Lessor. The Lessor shall accept the conveyance of the Tower without any warranties, representations or guaranties, either express or implied, of any kind, nature or type whatsoever, from or on behalf of the Lessee with respect to the personal property, including, without limitation, the physical condition of the Tower.

14. Termination. Except as otherwise provided herein, this Lease may be terminated without any penalty or further liability upon written notice as follows:

(a) By either party upon a default of any covenant or term hereof by the other party, which default is not cured within sixty (60) days of receipt of written notice of default (without however, limiting any other rights available to the parties pursuant to any other provisions hereof); provided, that if the defaulting party commences efforts to cure the default within such period and diligently pursues curing of the default to completion within a reasonable time period, the non-defaulting party shall no longer be entitled to declare a default;

(b) Upon thirty (30) days' written notice by Lessee to Lessor, if Lessee is unable to obtain or maintain through no fault of Lessee, any license, permit or other Governmental Approval necessary for the construction and operation of the Tower Facilities or Lessee's business; or

(c) By Lessee for any reason upon one (1) year's advance written notice from Lessee to Lessor; or

(d) By Lessee pursuant to Paragraph 3 of this Lease.

15. Sublessee's Improvements. Lessee's licensee(s) and sublessee(s) shall be entitled to modify the Tower Facilities and to erect additional improvements on the Leased Premises, including, but not limited to antennas, dishes, cabling, additional storage buildings or equipment shelters as are reasonably required for the operation and maintenance of the communications equipment, together with rights of ingress and egress to the Leased Premises and the right to install utilities and fiber to and on the Leased Premises and Easement(s) as if said licensee or sublessee were the Lessee under this Lease.
16. **Taxes.** Lessee shall pay any personal property taxes assessed on, or any portion of such taxes attributable to, the Tower Facilities. Lessee shall pay, as additional Rent, any increase in real property taxes levied against the Leased Premises which are directly attributable to Lessee's use of the Leased Premises (the "Telecom Increase") within thirty (30) days of receipt of Lessor's written request provided that Lessor agrees to furnish proof of the Telecom Increase to Lessee within ninety (90) days from the issuance of the tax bill from the local taxing authority. If the Lessor fails to provide Lessee with such proof of the Telecom Increase within ninety (90) days of the issuance of the tax bill from the local taxing authority, then Lessee shall have no obligation to reimburse Lessor for, or to pay such Telecom Increase. In the event that Lessor fails to pay, when due, any taxes affecting the Leased Premises or the Easement(s), Lessee shall have the right, but not the obligation, to pay such taxes and deduct the full amount of the taxes paid by Lessee on Lessor's behalf from future installments of Rent. Lessor hereby represents and warrants that Lessor's property on which the Leased Premises and Easement(s) are located is not subject to any "Conservation Use Covenant", "Greenbelt Covenant", agricultural or timberland covenant, or any other conservation use program which restricts or limits development of Lessor's property. Lessor agrees to be solely responsible for payment of any penalties, roll-back or additional taxes, special assessments or other monetary amounts now or hereafter payable to any county, city, state or other party as a result of the breach of any conservation use tax program affecting the property on which the Leased Premises and Easement(s) are located or resulting from the change in the nature or character of the use of the property from its present use to a communications tower facility. Lessor does hereby covenant and agree to indemnify, defend and hold Lessee forever harmless from any and all liabilities, claims, demands, actions or causes of action arising from or relating to a breach of any such covenants, whether such breach occurs because of the erection of the Tower Facilities on the Leased Premises or otherwise.

17. **Destruction of Premises.** If the Leased Premises or the Tower Facilities are destroyed or damaged, so as to hinder the effective use of the Tower Facilities in Lessee's judgment, Lessee may elect to terminate this Lease as of the date of the damage or destruction by so notifying the Lessor. In such event, all rights and obligations of Lessee to Lessor shall cease as of the date of the damage or destruction, and Lessee shall be entitled to the reimbursement of any Rent prepaid by the Lessee.

18. **Condemnation.** If a condemning authority takes all of the Leased Premises or Easement(s), or a portion sufficient in Lessee's determination to render the Leased Premises or the Easement(s), in the opinion of Lessee, unsuitable for the use which Lessee was then making of the Leased Premises and Easement(s), this Lease shall terminate as of the date the title vests in the condemning authority. Lessee shall be entitled to file its own claims against the condemning authority for the value of its Tower Facilities, moving expenses, prepaid rent and business dislocation expenses. A sale of all or part of the Leased Premises and/or Easement(s) to a purchaser with the power of eminent domain, in the face of the exercise of eminent domain power, shall be treated as taking by condemnation for the purpose of this paragraph.

19. **Insurance.** Lessee shall purchase and maintain in full force and effect throughout the Term, public liability and property damage policies. The policy of general liability insurance shall provide a combined single limit of $1,000,000 and shall name Lessor as an additional insured.

20. **Lessee's Environmental Covenants and Indemnity.** As used in this Lease, the term "Hazardous Materials" shall mean any hazardous or toxic substance, material or waste which is, or becomes designated as such in the future or is regulated by any agency of the United States Government or by any state governmental authority having jurisdiction, including, without limitation, any substance, material or waste that is defined or designated as a hazardous substance pursuant to the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act or the Clean Water Act. During the Term of this Lease, Lessee shall cause the presence, use, storage and/or disposal of any Hazardous Material, on or under the Leased Premises by Lessee, its agents, employees, business invitees, contractors or sublessees to be in compliance with all applicable laws, rules, regulations and orders. Lessee shall not install or permit the installation of any underground storage tanks on the Leased Premises. Lessee shall defend, indemnify, protect and hold Lessor harmless from and against all claims, costs, fines, judgments and liabilities, including, without limitation, reasonable attorney's fees and costs, arising out of or in connection with the presence, storage, use or disposal of Hazardous
Materials on or under the Leased Premises to the extent caused by the acts, omissions or negligence of Lessee, its employees, business invitees, contractors or sublessees. The foregoing indemnity shall survive the expiration or earlier termination of this Lease.

21. **Lessor’s Environmental Representation and Indemnity.** Lessor represents and warrants that no Hazardous Materials have been generated, stored, disposed of or are present on or under the Leased Premises and the Easement(s) prior to the Commencement Date of this Lease. Lessor shall indemnify, defend, protect and hold Lessee harmless from and against any and all claims, costs, fines, judgments, liability, actions, causes of action, liens and expenses, including, without limitation, penalties and reasonable attorneys’ fees, incurred or suffered by or asserted against Lessee, to the extent arising out of or in any way relating to any one or more of the following which are not caused by Lessee: (a) the presence of any Hazardous Materials in, on, or under the Leased Premises; (b) any past, present or threatened release of Hazardous Materials in, on, under or from the Leased Premises; (c) any activity by Lessor in connection with any actual, proposed or threatened use, treatment, storage, existence, disposition or other release, production, manufacturing, management, abatement, removal, handling, transfer or transportation to or from the Leased Premises of any Hazardous Materials at any time located in, under or on the Leased Premises; (d) any testing and/or remediation costs in connection with any Hazardous Materials alleged to be located in, under, on or above the Leased Premises; (e) any past or present non-compliance with or violations of any environmental laws in connection with the Leased Premises or operations thereon, including but not limited to, any failure by Lessor to comply with any order of any governmental authority in connection with any environmental laws; and (f) the imposition, recording or filing or the threatened imposition, recording or filing of any environmental lien encumbering the Leased Premises. The foregoing representations and indemnities shall survive the expiration or earlier termination of this Lease.

22. **Mutual Indemnification.** Lessor shall indemnify and hold harmless Lessee from and against any and all claims, liabilities, loss or damage, penalties or judgments to the extent arising from injury to person or property sustained by anyone in and about the Leased Premises and Easement(s) resulting from any act(s) or omissions(s) of Lessor, or Lessor’s officers, agents, servants, employees, contractors, or sublessees. Further, Lessor shall, at its own cost and expense, defend any and all suits or actions (just or unjust) which may be brought against Lessee or in which Lessee may be impleaded with others upon any such matter, claim or claims, except as may result from the acts described in the following paragraph. This indemnification obligation shall survive the expiration or earlier termination of the Lease.

Lessee shall indemnify and hold harmless Lessor from and against any and all claims, liabilities, loss or damage, penalties or judgments to the extent arising from injury to person or property sustained by anyone in and about the Leased Premises and Easement(s) resulting from any act(s) or omissions(s) of Lessee, or Lessee’s officers, agents, servants, employees, contractors, or sublessees. Further, Lessee shall, at its own cost and expense, defend any and all suits or actions (just or unjust) which may be brought against Lessor or in which Lessor may be impleaded with others upon any such matter, claim or claims, except as may result from the acts described in the preceding paragraph. This indemnification obligation shall survive the expiration or earlier termination of the Lease.

23. **Notices.** All notices required or permitted under this Agreement shall be in writing and shall be deemed effective upon personal delivery, or three (3) days after being deposited in the U.S. Mail, registered or certified, and postage prepaid, or one (1) day after being deposited with a recognized overnight delivery service. Such notices shall be addressed to the applicable party at its address shown below, or at such other address or addresses as either party shall designate to the other in writing in accordance with this paragraph:

24. **Title and Quiet Enjoyment.** Lessor warrants and represents that (i) it has the full right, power, and authority to execute this Lease; (ii) it has good and marketable fee simple title to the Leased Premises and the Easement(s); and (iii) the Leased Premises constitute a legal lot that may be leased without the need for any subdivision or platting approval. Lessor covenants that Lessee shall have the quiet enjoyment of the Leased Premises during the Term of the Lease. Lessor shall indemnify, defend and hold harmless Lessee from and against any loss, cost, expense or damage, including attorneys fees associated with a breach of the foregoing covenant of quiet enjoyment. This Lease shall be an estate for years and not a usufruct. Lessor shall not use, nor shall Lessor permit its lessees, licensees, invitees, or agents to use any portion of any property owned or controlled by Lessor in any way which interferes with the operations of Lessee. Such interference shall be deemed a material breach by Lessor, and Lessee shall have the right, in addition to any other rights that it may have in law or equity, to enjoin such interference or to terminate this Lease.

25. **Subordination and Non-Disturbance.** This Lease shall be subject to and subordinate to any mortgage or deed to secure debt (collectively referred to as a "Mortgage") made by Lessor which may now or hereafter encumber the Leased Premises and Easement(s), provided that no such subordination shall be effective unless the holder of every such Mortgage shall in a separate agreement with Lessee agree that in the event of a foreclosure, or conveyance in lieu of foreclosure of Lessor's interest in the Leased Premises and Easement(s), such holder shall recognize and confirm the validity and existence of this Lease and that Lessee shall have the right to continue its use and occupancy of the Leased Premises and Easement(s) in accordance with the provisions of this Lease as long as Lessee is not in default of this Lease beyond applicable notice and cure periods. Lessee shall execute in timely fashion such instruments as may reasonably be requested to evidence the provisions of this paragraph. In the event the Leased Premises and/or Easement(s) are encumbered by a Mortgage on the Commencement Date, Lessor, no later than ten (10) days after the Commencement Date, shall obtain and furnish Lessee with a non-disturbance agreement in recordable form from the holder of each Mortgage.

26. **Assignments and Subleases.**

(a) Lessee may, upon notice to Lessor, mortgage or grant a security interest in Lessee’s leasehold estate and the Tower Facilities, and may make a conditional assignment of this Lease and the Tower Facilities to any such mortgagees or holders of security interests, including their successors and assigns (hereinafter, collectively referred to as “Secured Parties”). In such event, Lessor shall execute such consent to leasehold financing as may reasonably be required by any Secured Party. Lessor agrees to notify Lessee and Lessee’s Secured Parties simultaneously of any default by Lessee, and to give to the Secured Parties the same right to cure any default as Lessee except that the cure period for any Secured Party shall not be less than thirty (30) days after the receipt of the default notice; provided, however, that for non-monetary defaults, Lessor shall not terminate the Lease for so long as a Secured Party is diligently pursuing a cure of the default, and if curing such non-monetary default requires possession of the Leased
Premises and Easement(s), then Lessor agrees to give Secured Party a reasonable time to obtain possession of the Leased Premises and Easement(s) and to cure such default. If a termination, disaffirmation or rejection of the Lease, pursuant to any laws (including any bankruptcy or insolvency laws), by Lessee shall occur, or if Lessor shall terminate this Lease for any reason as provided for in Paragraph 12, herein, Lessor will give the Secured Parties prompt notice thereof and Lessor will give each Secured Party the right to enter upon the Leased Premises during a thirty (30) day period commencing upon such Secured Party's receipt of such notice for the purpose of removing any Tower Facilities. In addition, if this Lease is terminated for any reason, or otherwise rejected in bankruptcy, Lessor shall, upon request, enter into a new lease with a Secured Party on the same terms as those contained in this Lease provided such Secured Party pays all past due amounts within thirty (30) days of notice of such termination. Lessor waives any lien, interest, claim, right or title in the Tower Facilities which Lessor now has or may hereafter acquire, whether by statute, agreement or otherwise, and agrees that the Tower Facilities shall remain personal property and shall not constitute fixtures, notwithstanding any attachment to real property or any other applicable law or doctrine relating to fixtures. A Secured Party shall have all of the rights of Lessee under the Lease, including, but not limited to, the right to exercise any renewal option(s) or purchase option(s) set forth in this Lease. Lessor acknowledges that the Secured Parties shall be third-party beneficiaries of this Lease.

(b) Lessee shall, upon notice to Lessor, have the right to license, sublease or assign its rights under this Lease, without the consent of Lessor, upon any of the following conditions:

i. any conditional assignment of this Lease to a Secured Party as described in subparagraph (a) above;

ii. any license or sublease of a portion of the Leased Premises and the Tower Facilities in the ordinary course of Lessee’s business;

iii. an assignment or sublease to an affiliate entity of Lessee; or

iv. an assignment to an entity in the business of developing or owning telecommunication towers, provided that any such assignee shall have a net worth equal to or greater than Lessee’s at the time of any such assignment.

Any license, sublease or assignment by Lessee of its rights under this Lease which is not set forth in (i) – (iv) above shall require the consent of the Lessor, which consent shall not be unreasonably withheld, delayed and/or conditioned. Any license, sublease or assignment pursuant to this subparagraph (b) shall be subject to all terms and conditions of this Lease. Upon assignment of all of its rights pursuant to this Lease, and the execution of a written assumption of all of the terms and conditions of the Lease by the assignee, Lessee shall be released from any further liability under this Lease.

Lessor shall have the right to assign or otherwise transfer this Lease and the Easement(s) granted herein, upon written notice to Lessee, but only in connection with the simultaneous sale or transfer Lessor’s entire right, title and interest in the Site. Any assignment or transfer of this Lease which is separate and distinct from a transfer of Lessor’s entire right, title and interest in the Site shall require the prior written consent of Lessee which may be withheld in Lessee’s sole discretion.

27. Successors and Assigns. This Lease shall run with the Leased Premises described on Exhibit “A” and shall be binding upon and inure to the benefit of the parties, their respective heirs, successors, personal representatives and assigns.

28. Waiver of Lessor’s Lien. Lessor hereby waives any and all lien rights it may have, statutory or otherwise, in and to the Tower Facilities or any portion thereof, regardless of whether or not same is deemed real or personal property under applicable laws.

29. Waiver of Incidental and Consequential Damages. Lessor will not assert any claim whatsoever against Lessee for loss of anticipatory profits or any other indirect, special, incidental or
consequential damages incurred by Lessor as a result of the construction, maintenance, operation or use of the Leased Premises or the Easement(s) by Lessee.

30. **Lessee's Exclusivity.** Lessor agrees not to lease any of Lessor's property within a radius of one (1) mile from the Leased Premises for construction of a tower, for the construction or for use as a communications facility or for the operation of an antenna site leasing business which competes directly or indirectly with Lessee.

31. **Right of First Refusal.** In the event that the Lessor receives and desires to accept a bona fide offer to sell and convey the Leased Premises to a third party not related to the Lessor by at least 51% common ownership, then the Lessor shall first provide the Lessee with a written offer to sell and convey the Leased Premises to Lessee upon the same terms and conditions as the offer made by the third party. The notice to Lessee shall include a copy of the third party's offer. If the third party offer is to purchase assets in addition to the Leased Premises, the right of first refusal hereunder shall apply only to the Leased Premises and the Lessor shall provide to Lessee the only the terms of the third party's offer which are applicable thereto. Lessee shall have twenty (20) business days from the receipt of the Lessor's notice to accept the offer to purchase the Leased Premises. If Lessee desires to accept the offer, it shall notify the Lessor in writing within the said twenty (20) business day period and closing thereon shall occur within ninety (90) days of the date of Lessee's written acceptance of the offer. Transfer of title shall be by Special Warranty Deed and a Bill of Sale that warrants title to the Leased Premises without exception or encumbrance. If Lessee does not elect to accept the offer to purchase the Leased Premises, then the Lessor may proceed with selling the Leased Premises to the third party upon the same terms and conditions as offered to Lessee, which sale shall be made subject to the terms of this Lease. Should the third party not complete the purchase transaction, then this Right of First Refusal shall continue in effect for any future offers received by the Lessor.

32. **Certifications.** Either party may request, in writing, that the other party certify information to a prospective mortgagee or purchaser. Such certification shall be transmitted within ten (10) days after receipt of written request and may be relied upon by the party who requested it, and the contents of the certificate shall be binding upon the party executing it. The certificate may include (i) the validity, force and effect of this Lease; (ii) the extent to which this Lease has been supplemented or amended; (iii) the existence of any default; (iv) the existence of any offsets, counter-claims or defenses on the part of the other party; (v) the commencement and expiration dates of the Term, (vi) the amount of any prepaid rent; and (vii) any other matter as may reasonably be requested.

33. **Self Help.** Without limiting Lessee's right to terminate this Lease pursuant to Paragraph 12(a) hereof, in case of a breach of any covenant or term hereof by the Lessor, the Lessee may, in its sole discretion, elect to remedy the Lessor's breach, which remedy shall not operate or be construed as a waiver of the Lessee's rights herein to recover the cost of such remedy from the Lessor by setoff or otherwise, and the Lessor shall indemnify the Lessee from any and all costs, expenses, reasonable attorney fees and litigation expenses as may be incurred by the Lessee in performing the Lessor's obligations hereunder.

34. **Restrictive Covenants.** Lessor acknowledges and agrees that this Lease and the rights granted herein to Lessee are integral to the Rent paid by Lessee to Lessor, and that Lessor would not have agreed to pay such monetary consideration to Lessor if Lessor were to create circumstances that would compete with the rights of Lessee and its intended business operations. Accordingly, Lessor agrees that, for so long as this Lease is in effect, Lessor shall not enter into a lease, license, or other agreement whereby Lessor (i) transfers its' beneficial rights in this Lease to a third party without such third party purchasing Lessor's right, title and interest in the entire Site, (ii) transfers the rights to use or operate any portion of the Site to a third party for the operation of wireless telecommunications equipment, except, Lessor may grant the Easements contemplated herein or other easements for customary utilities, or (iii) authorizes the construction of any wireless telecommunications towers or structures on the Site for the use by unaffiliated third parties to operate such wireless telecommunications towers or structures for profit. Any actions of Lessor as set forth in (i), (ii) or (iii) shall be considered a material breach of this Lease. In case of a breach by Lessor of the covenants contained in this Section 32, Lessee will be irreparably damaged and shall be entitled (in addition to any other remedy to which it may be entitled in law or in
35. **Miscellaneous.**

(a) The substantially prevailing party in any litigation arising hereunder shall be entitled to its reasonable attorney's fees and court costs, including appeals and post-judgment proceedings, if any.

(b) Each party agrees to furnish to the other, within ten (10) days after request, such truthful estoppel information as the other may reasonably request.

(c) This Lease constitutes the entire agreement and understanding of Lessor and Lessee with respect to the subject matter of this Lease, and supersedes all offers, negotiations and other agreements. There are no representations or understandings of any kind not set forth herein. Any amendments to this Lease must be in writing and executed by Lessor and Lessee; provided, however, that this Lease may not be amended in any respect which would be reasonably likely to have a material adverse effect on a Secured Party's interest therein, or surrendered, terminated or cancelled by Lessee, without the prior written consent of such Secured Party.

(d) If either Lessor or Lessee is represented by a broker in this transaction, that party shall be fully responsible for any fees due such broker and shall hold the other party harmless from any claims for commission by such broker.

(e) This Lease shall be construed in accordance with the laws of the state in which the Leased Premises is situated.

(f) If any term of this Lease is found to be void or invalid, such invalidity shall not affect the remaining terms of this Lease, which shall continue in full force and effect.

(g) Lessor shall cooperate with Lessee in executing any documents necessary to protect Lessee's rights under this Lease or Lessee's use of the Leased Premises and the Easement(s), and to take such action as Lessee may reasonably require to effect the intent of this Lease.

(h) This Lease may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties, it being understood that all parties need not sign the same counterpart. The parties agree that a scanned or electronically reproduced copy or image of this Lease shall be deemed an original.

3. The Lease provides for an initial term of five (5) years (the “Initial Term”) which commenced on ____________________. The Lease also provides for five (5) additional five (5) year renewal terms (each, a “Renewal Term”). The Lease shall automatically renew for each such Renewal Term unless Lessee delivers written notice of intent not to renew to Lessor at least thirty (30) days prior to the expiration of the Initial Term, or the Renewal Term then in effect.

4. The Lease provides that during the term of the Lease neither Lessor nor any tenant or person or entity claiming by or through Lessor shall be allowed to install or operate a communications facility, including a telecommunications transmission tower, or operate an antenna site leasing business which competes directly or indirectly with Lessee on the lands of Lessor within a radius of one (1) mile of the Leased Premises.

5. The Lease provides that during the term of the Lease, in the event that the Lessor receives and desires to accept a bona fide offer to sell and convey the Leased Premises to a third party not related to the Lessor by at least 51% common ownership, then the Lessor shall first provide the Lessee with a written offer to sell and convey the Leased Premises to Lessee upon the same terms and conditions as the offer made by the third party, and Lessee shall have twenty (20) business days in which to accept the offer.

6. The Lease provides that during the term of the Lease, Lessor shall not enter into a lease, license, or other agreement whereby Lessor (i) transfers its beneficial rights in this Lease to a third party without such third party purchasing Lessor’s right, title and interest in the entire Site, (ii) transfers the rights to use or operate any portion of the Site to a third party for the operation of wireless telecommunications equipment, or (iii) authorizes the construction of any wireless telecommunications towers or structures on the Site, for Lessor’s own use, or for the use of any unaffiliated third parties.
7. All of the terms and conditions of the Lease are incorporated herein by reference. In the event of a conflict between the terms hereof and the terms of the Lease, the terms of the Lease shall govern.

IN WITNESS WHEREOF, the parties hereto have executed this Memorandum of Lease as of the date first written above.
