Why donate a Memorial Tree?

Planting a tree in public space is a wonderful way to honor a loved one and also provides a gift to the whole community. Trees are planted in public space so everyone can enjoy the shade, beauty, and enjoyment a living tree provides.

A memorial tree can be planted for many occasions: in memory of someone who has passed away; in honor of a dedicated service member; to celebrate a birthday, graduation, wedding, retirement, or other occasion. Many offices give trees instead of flowers for funerals or as memorials. Planting a memorial tree is a remembrance of the past and at the same time a renewing of life. Planting a tree in a public space is a unique way to say "I love you," a great way to solve gift-giving problems and is a wonderful tribute to a loved one or friend. It's a gift that can last through several lifetimes; a gift that keeps on giving.

To participate in the Memorial Tree Program, fill out the attached application card and drop it in the mail. The Public Works Department will plant memorial trees in the spring. Questions about the City of Escanaba's Memorial Tree Program can be directed to the City of Escanaba Public Works Department at (906)786-1842.
